Tien Tsin, July 24 .- A report from New Chuang states that Saturday's battle was at Tahsui Tong, six miles distant, and that the Japanese were successful.

Many Chinese refugees arriving at New Chuang have reported that nine Japanese gunboats from Port Arthur have arrived at Tahting Shan.

Tien Tsin, July 24.-News has reached here that a battle is raging outside of New Chuang. The fighting can be seen from the housetops. In the engagement of yesterday the Russian losses are reported to have been 700. The Japanese are slowly nearing New Chuang. Great excitement prevailed in that city during today's and yesterday's fights.

Tien Tsin, July 25.—In accordance with orders issued by General Kuropatkin, the Russians commenced to evacuate New Chuang yesterday (Sunday). This morning the Russian railway station is in flames. The Russians are evidently destroying property previous to evacuation.

Chefoo, July 25.—(Noon.)—The German steamer Chefoo, from New Chuang, reports that at 2 o'clock this morning, when she was fifty miles from this port, she was stopped by four Japanese torpedo boats and searched. After being released she was fired on by rapid fire guns.

Yokohama, July 25.—The Vladi vostok squadron yesterday sunk the English steamer Knight Commander, from New York, off the province of Izu, after transferring the crew of the Knight Commander to the

Judge Parker told Mr. Lahiff, who acted as spokesman, that to accept the invitation at this time might cause him some embarrassment, and he did not feel like promising to attend any event of that character, at least until after the notification ceremonies had taken place. He did say, however, that if he accepted any invitations at all he would visit Chicago.

Differences Healed.

What gave Judge Parker greater sat-isfaction than he derived from the in-vitation was the assurances that difvitation was the assurances that dif-ferences between opposing factions of Illinois Democrats would be entirely settled and that the party in that state would present a solid front for the na-tional ticket. It was stated in the con-versation between Judge Parker and the Illinois delegation that the ill feel-ing engendered as the result of the contests between delegations seeking seats in the St. Louis convention would be eliminated absolutely. After a long discussion in which-Count Lamsdorff took a leading part, it was decided that the present status of the volunteer fleet was not sufficiently well defined according to international law to render further searches and seizures advisable and that therefore Russia, in the interests of friendly relations with the powers should withdraw the authority given the volunteer fleet in this respect.
